

Please note that abstract should be submitted according to the **prefilled format** and will appear as only 1 page in the proceedings.

Abstracts must be written in English.

1. The topics are used by the Organising Committee to arrange the sessions. Select the topic that is most suited to your abstract.
2. The title should be short but descriptive.
3. Abstracts must be approved by all authors before submission. The results should not have been presented or published previously by any of the authors.
4. Author Information: All authors should be entered into the system. Author affiliations and E-mail addresses are also required fields in the system.
5. Presenting Author: Enter the name of the person who will present the abstract
6. Abstract: Key the abstract into the web-based system. Limit the abstract length to approximately 500 words.
7. Key words: Enter up to 6 key words.
8. Format preferred: Check the box to indicate your preference of either oral or poster format. The Organising Committee reserves the right to make the final determination of presentation format. You are not guaranteed to receive your preferred format
9. Awards Student Competitions: Check the box to indicate if the presenter is a student desiring to enter either of these competitions. The student will make the initial submission.

The submitted abstracts shall be in the following format:

Introduction: Provide background, statement of problem, or basis of the study. State the purpose or objectives of the study

Methods: State the methodology used in the study

Results: Describe the number of results obtained in the study. Results should be summarized.

Significance: State the significance of the findings to food protection and/or public health (1–2 sentences).

NOTE: Do NOT include reference citations in the Abstract. Do NOT use tables or figures.
